

## ABA/ABT Providers for Blue Local with Wake Forest Baptist Health Members

### Important Information for Blue Local with Wake Forest Baptist Health Members:

The Blue Cross and Blue Shield of North Carolina (Blue Cross NC) provider directory is created from information provided by our network providers, facilities and third parties. We try to provide you with the most up-to-date and accurate provider lists. However, providers are added to our network often and sometimes decide not to participate in our network. We cannot always guarantee that these provider lists are accurate or current when you search.

Adaptive Behavioral Treatment (ABT) must be provided or supervised by one of the following licensed professionals who are certified to offer this treatment:

- A licensed psychologist or psychological associate
- A licensed psychiatrist or developmental pediatrician
- A licensed speech and language pathologist
- A licensed occupational therapist
- A licensed clinical social worker
- A licensed professional counselor
- A licensed marriage and family therapist

Below, you will find providers that have indicated that they may perform some ABT services. To be covered, these services still need to meet the criteria of our Medical Policies through a prior review and certification process. You should contact the provider directly to make sure these services are offered.
