

Tax Payer Identification Number (W-9 Form)

It is a provider's contractual obligation to ensure BCBSNC has the most current tax identification number on file for your practice. If BCBSNC is not notified of any changes in your tax status, it will result in erroneous information being forwarded to the Internal Revenue Service by our 1099 Reporting Department. (Substitute W-9 Forms can be downloaded or obtained by contacting your local Network Management Office.)

Completion of Group Provider Application:

- Complete all appropriate blocks indicating social security number or federal tax identification number.
- Complete W-9 Form and send with Group and/or Individual Enrollment Application
